1. Invitation to the Agency/ies for creating a pool of ToT Certified Trainers in the State of Haryana for various schemes run by Haryana Skill Development Mission.

The Haryana Skill Development Mission (HSDM) invites EoI from reputed Agencies for creating a pool of ToT Certified Trainers in the State of Haryana for various schemes run by Haryana Skill Development Mission. The scope of work will have to be carried out in accordance with the specifications detailed in this document.

Brief Background of HSDM:

Haryana Skill Development Mission ("HSDM") was registered on 4th May, 2015 under the Haryana Registration & Regulations of Societies Act, 2012 to function as an autonomous organization. The Mission established by the State Government aims to empower the youth in the State to take part in the economic and overall growth of the State and the Country at large. The vision of the Mission is "To be a specialized agency to deliver quality skill training and professional knowledge to the youth to enhance their employability and bridge the skill deficit with a view to meet burgeoning market demand for skilled manpower".

The Primary Objectives of HSDM:

The Mission functions as a non-profit, independent and autonomous organization for implementation of skill development programmes in the State. The Mission has the following specific objectives:

- (i) Increase employability of the youth and empower them to take part in the economic growth of Haryana and India, through skill training in modern and market driven professions and monitoring its delivery, and thereby reducing unemployment, poverty and socio-economic inequality.
- (ii) To provide skill training to the students passing out from schools, school dropouts, unemployed youth, informal sector workers, women and other disadvantaged groups.
- (iii) To inspect & monitor the quality of training imparted.
- (iv) To map demand for skill sets in the market and formulate programmes to meet such demand through high quality skill training.
- (v) Develop self-employment and entrepreneurial skills for youth of Haryana.
- (vi) To act as a platform for job seekers and provide assistance in getting self-employment.
- (vii) To assist the State Government in formulating appropriate policy, legislations and/ or measures to fulfil the skill gap and constitute task forces for this purpose.
- (viii) To carry out or implement any other activities/ schemes which are beneficial to make the youth of State of Haryana employable.
- (ix) Assist in creating an enabling environment to attract investment in professional and skill development sector.
- (x) To undertake the capacity building programmes of various stakeholders working in the professional and skill development sector.
- (xi) To enter into any arrangement/ agreement with any person, company or association having similar objectives.

Problem Background:

Haryana Skill Development Mission (HSDM) was established in 2015 to encourage and promote skill development in the State by virtue of providing free of cost short term skill training(s) and certification to boost employability of the youths.

Through these years of implementation, despite of extending all provisions and facilities for training the youth in wide variety of job roles, there is a dearth of quality skilled manpower and salaries offered to them in the State and it has been figured out that there is a need to enhance the quality skill training and assessment being delivered through trainers and assessors across sectors. To address the requirement of quality trainings in short term skill training eco system, the Mission continues to mandate the trainings to be conducted through certified trainers and assessment through certified assessors.

The Mission has allocated skill training targets to various Training Partners for skilling/up-skilling/re-skilling the youth across the State. However, it has been observed that the trainings have not been initiated due to non-availability of ToT certified trainers which is a mandate for training providers to impart skill training.

Against this backdrop, the Mission plans to engage the agency/ies that can professionally plan & organize ToT and create a pool of ToT Certified Trainers in the State of Haryana for various schemes run by Haryana Skill Development Mission. The engagement of HSDM with the agency/ies will be completely Non-Financial and neither party will be liable to pay anything to each other.
